just another day in paradise...

Friends and Family,

We hope that everyone has had a safe and fun filled summer. We are sure that your camera chip is full and many vacations, sporting events and etc... need to be scrapbooked. Next weekend, August 13th-15th, is our 3-Day Crop Weekend. We hope that you can join us for lots of fun and great food. Pencil in your much deserved "ME" time, call your girlfriends and have a great time at Scrapbooker's Paradise.

The start of school is right around the corner... if you have a group (Brownies, Girl Scouts, Boy Scouts and etc...) and need a craft activity, please keeps us in mind. We have a few different crafts with reasonable pricing and a large work area!

Our much requested make & takes are either a one or two page layout created by our very own Paradise design team. We create the idea, cut all the pieces and parts to duplicate that exact layout and package it all up for you! You can make the layout in the store with our help, or you may take it home to work on by yourself. This is not an actual class, it can be bought and worked on in our cropping area!
